

Chippewa and Russells Point Neighborhood Outreach Centers

The Centers will be closed October 1st, 2nd, 9th, 16th and 21st through the 30th

HAUNTED HOUSE

The Outreach Center will be transformed into **2** free haunted houses to divide up the crowds. There will be a 'Not so Scary' haunted house on Thursday, October 29th for the elementary aged kids from 5-7 pm. Then on Friday, October 30th, the ghosts and goblins will invade the Center and turn it into a scary Haunted House from 7-9 pm for kids in middle school and older. Everyone will be required to wear a mask and remain in groups of 3 or 4 while in line and as you go through the House. **Enter..... If You Dare!!**

Congratulations to Scott Hall (pictured at the right) for winning the 90 second shopping spree at Community Market. After grabbing a few items for himself, Scott picked up snacks, paper plates and cups for the Centers as part of his shopping spree. Thank you to everyone who purchased tickets this year for the Outreach Centers. We raised a total of \$1,792 from the fundraiser!!

Saving Money Program

David Willoby from Liberty National Bank came to the Chippewa and RP Centers on Monday, September 21st to talk with the kids about many areas around saving money. We revisited their long and short-term goals and things that they are interested in saving their money up for. The kids who had them, updated their goal sheets and other kids made new ones. The kids who are bringing their money to the Center to serve as their 'bank' are earning 10% interest at the end of each month. Congratulations to Tenzlee Pyles for bringing in enough money to reach her goal of \$15.00 to purchase some metallic slime eggs (Pictured at left).

Making Healthy Choices, with Nurse Deb

Deb Orr met with the kids at the Chippewa and Russells Point Centers about making healthy choices when it comes to snacking and eating meals. This month she talked with the kids about different fruits and vegetables and even though they are good for you- some contain a high amount of sugars. The kids were quizzed and asked to compare two fruits and they chose which one they thought was higher in sugar. The results surprised many of them. She is scheduled to come back in October on the 7th, so please plan on coming.

Lunches continue to be served at the Centers after school before homework help. Food bags are also being given out once a week at the Centers.
