Saving Money Program

Dana Kinsey from Liberty National Bank will be at the Chippewa and RPCenters on Monday, October 4th to talk with the kids about many areas around saving money. We will revisit long and short-term goals and talk with the kids about things they are interested in saving their money up for. Come to the center to update your goal sheets or create new ones. The kids who bring their money to the Center to serve as their 'bank' will earn 10% interest at the end of each month.

Congratulations to Greg Fogt for winning the 90 second shopping spree at Community Market. Thank you to everyone who purchased tickets this year for the Outreach Centers. We raised a total of \$1,909 in ticket sales from the fundraiser!!
